

Product data sheet

HLAY5BE102

Characteristics

Auxiliary contact block, HLAY5 BE, 1 NC

Main

|                           |               |
|---------------------------|---------------|
| Range of product          | HLAY5         |
| Device presentation       | Basic element |
| Product or component type | Contact block |

Complementary

|                               |                                        |
|-------------------------------|----------------------------------------|
| Contacts type and composition | 1 NC                                   |
| Contact operation             | Slow-break                             |
| Contacts usage                | Standard contacts                      |
| Connections - terminals       | Screw clamp terminals                  |
| E-commerce address            | Hlay5-metal-pilot-light-contact-blocks |

Environment

|           |               |
|-----------|---------------|
| Standards | IEC 60947-5-1 |
|-----------|---------------|

Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |
