

Pop-up desk socket Ø6cm with USB charger, 1.8 m cable and locking system, 3x2P+E (Schuko), silver

Marca: Orno | Cod: OR-AE-1349(GS) | Ean: 5908254822292

PRODUCT DESCRIPTION

A set of three 2P+E sockets, with Schuko grounding and current circuit protection, combined with USB charger. Everything is built into a retractable case that provides access to additional electrical outlets. It has a pop-up panel with sockets, an extra lock, and a 1.8m cable. Designed for indoor installation in offices, table tops and office furniture. To install the device in a table, a single hole with a diameter of 6 cm is required. This product is made of silver painted plastic and metal.
